

L'Authentic – 2024

IGP PÉRIGORD · ORGANIC RED WINE

The spirit of the cuvée

L'Authentic draws its identity from the terroirs of the Périgord and the old vines of Domaine La Doussinière.

The 2024 vintage offers a generous and balanced expression of Merlot and Cabernet Franc, where fruit, freshness and suppleness remain at the heart of the wine.

Winemaking and ageing

Fermented in stainless steel tanks with around three weeks of maceration.

Malolactic fermentation is completed before the wine is aged in concrete until bottling, with no oak ageing.

This approach preserves the fruit character, freshness and natural balance of the wine.

Technical data

VINTAGE 2024	DESIGNATION IGP Périgord	COLOUR Red
ORIGIN Montcaret · Dordogne · Périgord	TERROIR Clay-limestone	VINES Old vines planted in 1955
BLEND 67 % Merlot · 33 % Cabernet Franc	ALCOHOL 13 % vol.	AGEING Concrete tank, no oak
HARVEST 19 September 2024	FIRST BOTTLING 24 June 2026	CERTIFICATION Organic farming
BOTTLE SIZE 75 cl	PACKAGING Case of 6 bottles	ALLERGEN Contains sulphites

Tasting notes

APPEARANCE Deep, bright ruby in colour, with purple highlights reflecting the youth of the vintage.	NOSE The nose opens with generous red fruit aromas of cherry and raspberry, accompanied by a subtle floral hint.	PALATE Round and balanced on the palate, with generous fruit and supple tannins. Freshness adds length and keeps the wine lively through to a harmonious, generous finish.
---	--	--

FOOD PAIRINGS

Duck breast, confit, roast poultry, grilled meats, Périgord cuisine, slow-cooked dishes and mature cheeses.

SERVING AND CELLARING

Serving temperature: 15 to 17 °C. Serve lightly chilled. Brief aeration may help the fruit express itself fully. Enjoy now, with a cellaring potential of 3 to 5 years.
